# PIZZA

*Come on, it's what ya came here for!*

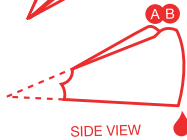

Just like there's a way to fold the Sunday paper, there's a way to fold your pizza.

**STEP 1 - The Approach**  
Grab slice by the crust with your thumb and middle finger at points A & B as shown, kinda like chopsticks.

**STEP 2 - The Squeeze**  
Squeeze middle finger and thumb to fold in half.

**STEP 3 - The Love**  
Take a bite! If grease drips down your arm, your form is perfect.
